

Three Idle Women
Wolvercote Village Hall
Saturday 30th October 7.30pm, doors open 7.15pm

Thank you for booking tickets to see the Three Idle Women at Wolvercote Village Hall on Saturday the 30th of October. Many thanks if you can take a few moments to read the following pieces of information regarding your visit.

COVID - 19 ENTRY

For entry, you will need to demonstrate your COVID-19 status by providing either:

- **Proof of a negative NHS Rapid Lateral Flow Test** (such test to be taken within 24 hours prior to attending the event at the venue); or
- **Proof of full vaccination** - both doses received (with the second at least 14 days prior to the arrival at the venue); or
- **Proof of natural immunity based upon a positive PCR test** within 180 days of arrival at the venue (and after the 10-day self-isolation period following the result).
Please be ready to show this when you arrive.

HERE'S HOW

1. Proof of a negative NHS Rapid Lateral Flow Test

Follow these instructions

Please do not bring the home test strip with you.

- You must report your COVID-19 NHS Rapid Lateral Flow Test result online, by clicking on this link - [COVID-19 NHS Rapid Lateral Flow Test result](#).
- If you do not have access to the internet, you can also report your test result by calling the phone number in your test kit's instructions, NHS 119 (England, Wales and Northern Ireland) or Scotland 0300 303 2713.
- You will need to demonstrate your negative NHS Lateral Flow Test result by showing us one of the following:
 - Text OR email confirmation of your result
 - OR by using the [NHS COVID Pass](#), available through the [NHS App](#)
 - OR as a letter that can be requested by ringing NHS 119 (England, Wales and Northern Ireland) or Scotland 0300 303 2713.

2. Proof of full vaccination, both doses received

- Please use the [NHS COVID Pass](#) to show your vaccination status using the [NHS App](#) or the [NHS website](#) to download it as a PDF or get it sent to you in an email.
- You can also get a paper version (vaccination status only - not test results - 2 weeks after having a full course of the vaccine) sent to you in the post. You do not need to be registered with a GP surgery or have an NHS login for this. You can get a letter (within 5 working days) by requesting a [COVID Pass letter online](#) or calling NHS 119.
- Here's how to get a record of your vaccination status in [Scotland](#), [Wales](#) or [Northern Ireland](#).

3. Proof of natural immunity

- Please use the [NHS COVID Pass](#) to show your positive PCR test within the past 6 months using the [NHS App](#) or the [NHS website](#) , after you've finished self-isolating and up to 180 days after taking the test.

FACE COVERING

We'd like it if you'd wear a face covering especially while using the toilets and the bar. Whilst it's no longer a mandatory requirement, we'd encourage you to be mindful of others, and follow this recommendation and advice about personal responsibility. All venue staff will be too.

TRAVEL LIGHT & KEEP WARM

All cloakrooms are currently closed, so only bring what you really need. Your support and understanding will go a long way if things take a little longer than you're used to, so your patience is appreciated. Think about wearing layers of clothing which you can easily remove or add if the room as required.
